The Mason LINE

by Chan Mason

About two years ago the Kiwanis Club of Lemon Grove passed a resolution asking that our U. S. officials close the border to all unescorted juveniles. The idea caught on and other service clubs joined with Kiwanis in circulating petitions to close the border. Some 50,000 signatures were obtained to force this action — but nothing happened. Too delicate an international problem to tinker with. Now we see they are holding investigations again, but go slow, boys, there are probably two sides to the problem. As one S. D. police official was quoted as saying, "I'm against closing the border to unescorted juveniles, the problem is in the home." Oh, brother!!

—ML—

Speaking of politics, we see where "My Friend Dixon" is now campaign manager for Ed Bulen. Better spend less time reading between the lines of "The Mason Line," Knothole, and devote more time to politikken, 'cause we're about to circulate a petition to abolish the office of assemblyman of the 77th District. That's no reflection on you, you old termite, we love yuh like a brother —unless that makes us an old termite too.

NEXT TIME TRY THE BUS

The publisher of the Review and this erstwhile writer decided to take advantage of a couple of Annie Oakleys to the USC-Pitt game last Friday night at the Coliseum. After a very dull three quarters, things picked up a bit due to the antics of a Mr. Jon Arnett of USC. However, of greater interest to us was the play of Ernie Merck, former Helix gridiron hero. Ernie was only in the ball game for about five plays on defense but intercepted a pass, (his second in the two games he's played). However, even Ernie's play could hardly make up for the trials and travail ye Olde Editor and this Country lad went thru to get home. We caught a train from L. A. at 12:15 a.m. and believe it or not, arrived in S. D. at 6:15 a.m. This milk train not only picked up the milk along the way, but delivered it as well. It's the truth, wife, s'help me.

Ed's Note:

What gives with this crazy, mixed up kid? As I told MY wife, we took the Greyhound but made a side trip to San Juan Capistrano Mission to feed the pigeons.

Even though the Lions can't play ball, they sould be lauded for their efforts to build a farm system. First step in this direction was the purchase of bleachers for the school district. However, if present plans jell, several local service clubs and organizations, including Kiwanis, will sponsor Little League Baseball this next spring. This will insure Kiwanis athletic domination for years to come, no doubt.

Incidentally, what ever happened to Channel Five? Could be it was driven right through the mat along with Wild Red Berry.

Audrey White Married to Thomas Mandrell

Mr. and Mrs. Ferris G. White of Monterey Heights announce the marriage of their daughter, Audrey Joann, to Thomas Oneal Mandrell, Sept. 24 in a candlelight ceremony at the Wedding Bell Chapel.

Mrs. Mandrell is a native Californian and was graduated from Grossmont High School in 1950. She is now affiliated with the Land Title Insurance Company.

Mr. Mandrell, a native of Texas, is the son of Mr. and Mrs. T. G. Mandrell of El Centro. He attended Southern Methodist University in Texas and was attached to an under water demolition crew as a "Frogman" in the Navy. He is now affiliated with the Texaco Oil Co.

Attendants for the double ring ceremony were Mrs. Ella Sweeney Perry and Mr. Theodore Whitt.

After a short northern honeymoon, the Mandrells will be at home at 1146 Jud St. in San Diego.

Have You Seen 'Ben'

If you see a little white boy parakeet with a blue underbody, call Svea Yeager, 2001 Noble St., HO 6-1762.

Svea is a cerebral palsy child and Ben is her only pet.

Seventy five years of electrical progress will be marked in San Diego October 18-30 during Light's Diamond Jubilee.

Free Lunch At Michael's To Spark Success Drive

Luncheon free at Michael's will be available for all businessmen who have three or more employees, it was announced this week by Bob Sutton, Lemon Grove chairman of the Second Success Drive.

Henry Goldy, operator of Michael's, is footing the luncheon bill. Businessmen will not be solicited for contributions, Sutton said. Goldy is holding the luncheon for the purpose of sparking the drive locally, and luncheon guests are expected to pass the enthusiasm on to their employees.

Dr. Robert Swenson is in charge of arrangements and reservations may be made through him, Sutton or Michael's.

Helix Football Stadium to be Dedicated Friday

Helix High School Stadium will be dedicated at 7:40 Friday. Following the dedication ceremony Helix will play Kearny High School for the first time on their own field.

Those participating in the dedication service will be Clarence Foster, Chairman of the Board of Trustees; Charles Irwin, Grossmont Board of Trustees will give a response; Palmer Svalstad, Rexford Hall, also members of the Grossmont Board of Trustees; Harold G. Hughes, Assistant Superintendent of the Grossmont School District; Ray Thomas, Faculty Adviser for the Helix Student Body; Neal Curtis, President of the Associated Student Body of Helix; Benton Hart, Principal of Helix High School, will be chairman of the dedication program.

The Helix High School Stadium is a cooperative project of the Grossmont Board of Trustees and the Associated Student Body of Helix High School. The District has provided the seating facilities for 6,000 and the A.S.B. has provided the lights. The Helix Senior Class of 1954 presented the school with an automatic scoreboard. The student body of Helix provided student concession stands and the loud speaking system.

This stadium will be used by both Grossmont and Helix High Schools for all their home games. It will also be used during the school year for track meets, concerts and other community events, as well as for student body assemblies throughout the year.

Sweetwater Dining Room Converts to Private Functions

Joe Eaton's Sweetwater Dining Room will be converted into a club type operation beginning Mondy, it was announced this week by Eaton.

Joe said that private parties, dinners and dances would be catered to and that groups up to 125 could be handled without crowding.

Nellie Johnson, hostess for the organization, said that luncheon parties would also be encouraged.

The dining room is on the La Mesa Airport grounds, just off Jamacha Road, east of Lemon Grove.

Grossmont Concert Board Named

At a meeting held at Rose Hedge Manor last week, the executive committee of the Grossmont Community Concert Association appointed the following to serve on its board of directors for the 1954-55 concert season:

Mr. and Mrs. Harold Lutz, Mr. and Mrs. James B. Harter, Mr. and Mrs. Paul Henderson, Mr. and Mrs. Dan Lewis, Mr. and Mrs. Gaerd von Hegerhorst, Mr. and Mrs. Robert Green, Mr. William Matthews, Mr. and Mrs. Theodore Vita, Mrs. Kathleen Anderson, Mrs. Paul Engstrand, Mr. and Mrs. Vinard Francisco, Commander and Mrs. M. A. Anderson, Dr. and Mrs. Ross Baker, Mrs. Roy E. Churchill, Mr. and Mrs. George S. Clarke, Mrs. S. R. Close, Mrs. A. B. Elliott, Mr. and Mrs. Lee A. Laudenslager, Mr. and Mrs. George Mersiovsky, Mr. and Mrs. A. J. Monteverde, Mrs. Evelyn Millan, Mrs. Meda Rosado.

Mrs. Leroy Shock was appointed social chairman; Mrs. Paul Engstrand, dinner chairman.

Members of the executive committee are: Mr. Hugh D. Sessions, president; Mr. and Mrs. William E. Long, Mr. and Mrs. W. J. Hill, Mr. and Mrs. Eugene Lyle, Mr. and Mrs. Claude A. Beagle, Mr. and Mrs. Charles F. Hogue, Mr. and Mrs. Bruce Carmichael, Mr. and Mrs. LeRoy Schock, Commander and Mrs. H. W. Olds.

SECOND BARREL TO BE DEDICATED OCTOBER 2

Assurance that Lemon Grove and the rest of the county would have adequate water until about 1965 to 1970 was voiced this week by the Lemon Grove Water Works as the San Diego Water Authority announced dedication plans for the opening of the second barrel of the San Diego Aqueduct.

Dedication will be Saturday, October 2 at the south portal of Oat Hill tunnel, about eight miles north of Escondido.

It will increase the available supply of the La Mesa-Lemon Grove-Spring Valley Irrigation District from 105 cu. ft. per second to 225, according to M. J. Shelton, district engineer.

Fred A. Heilbron, chairman of the San Diego County Water Authority, said plans have been made for a public ceremony to start at noon. Signs will be placed on Highway 395 at a point 2½ miles north of Escondido to direct cars to the site, which is on the McMahan ranch.

Climaxing the ceremony will be the removal of a bulkhead to permit the flow of water through the entire length of both barrels of the aqueduct for the first time.

Construction of the second barrel was started late in 1952 and has been completed about three months ahead of schedule. Both the first and second lines were financed by the federal government.

Operating at capacity, the aqueduct will deliver about 140,000,000 gallons of Colorado River water daily, which the Water Authority estimates will meet the needs of a population of 1,200,000 in addition to those who can be served by the present locally developed supplies.

EPISCOPAL PLANS TO BE REVEALED TUESDAY

"The Present Plans and Program of the Episcopal County and City Mission Society of San Diego" will be told by the Rev. Ralph D. Bonacker, chaplain and director, at a general meeting of the society on Tuesday at St. Andrew - by - the - Sea Episcopal Church, 1050 Thomas Ave., Pacific Beach.

There will be a communion service starting at 10:30 a.m., to be followed by a short business meeting and talks.

The Rev. Frederic J. Haskin, vicar of St. Andrew's, will be the Celebrant at the communion service.

The Rev. F. C. Benson Belliss, Rector of St. Luke's Episcopal Church, Long Beach, son of the first chaplain of the Society, will speak on "The Origin and History of the Mission Society."

Grossmont Citizen's Advisory Board to Have First Meeting

First meeting of the Grossmont Union High School Citizen's Advisory Committee will be held Monday at 7:30 in the Music Room at Grossmont High School.

Sub-committee members will be named at this meeting, it was announced by the Executive Committee.

Members of this committee are W. D. Beasley, chairman, Don Ellis, vice chairman, Virginia Clapp, secretary and Forrest Baxter, Carlton Conaway, George Cox and C. M. Laffoon.

CONGRESSMAN UTT SAFE AFTER OVERSEAS TRIP IN CRIPPLED PLANE

Congressman James B. Utt (R-28th Dist.) in returning from the far East in a Pan American double-deck arliner, was among some 50 passengers who were endangered when one of the plane's engines quit five hours out of Manila.

They had just passed the halfway mark, before which they would have turned back, Utt reported on his return. As it was, the remainder of the trip was made with three engines.

As a precaution, surface ships were alerted and a military and a Coast Guard plane were dispatched to escort the crippled airline. They met some 500 miles at sea but the ship was able to make San Francisco without further difficulty.

On an earlier leg of Utt's trip between Honolulu and Manila, a severe thunderstorm was encountered during which the plane was struck twice by lightning.

Congressman Utt, returning from a tour of eight South East Asian countries on official business for the Ways and Means Committee of which he is a member. He visited Japan, Formosa, Okinawa, Viet Nam, Cambodia, Thailand, Singapore and the Maylayan States. He arrived at his home in Santa Ana just in time to attend the Eisenhower rally in Los Angeles.

AN OPEN LETTER CONCERNING DEPARTMENT OF MOTOR VEHICLES

State Senator Fred H. Kraft
State of California Legislative Office

Dear Fred:

I have long advocated reforms in the Department of Motor Vehicles that would result in the department serving the people, rather than the way it is now.

I have been in correspondence with Beth Bennett, chief of the San Diego office and Paul Mason, director of the department in Sacramento. While both of these executives admit improvements could be made, neither appears to be willing to do anything about it.

A suggestion offered, could have been carried out without additional expense and within the rules of civil service. I suggested that the department stay closed on Monday till noon and remain open Monday evenings, as the department stores have found it expedient to do, to accommodate the working man.

As you, Paul Mason, and I know, many drivers are forced to be lawbreakers because it is too expensive to take a day from work to obtain a license. The department is neither open evenings nor Saturdays and it is understandable that a driver might be willing to gamble a $5 fine rather than lose a $20 work day. I hope that you will be able to convince the department that the taxpayer with a limited income is being hurt most for this arbitrary stand and that such a change is in order.

If you could show them that serving the best interests of the taxpayer has paid you dividends by keeping you in the Assembly two terms and in the Senate a like number of terms, with a third term almost a matter of certainty, perhaps they would follow your formula to reduce the disfavor into which they have fallen.

Please let me know the progress as you make it, in improving this Motor Vehicle Department problem and I will report it to Lemon Grove voters so that they may see that their continued support of you is justified.

Sincerely,
Max Goodwin, Editor

Bonelli Condones Dishonesty, Says McDavid

Accusing William G. Bonelli of condoning dishonest practices in the State Board of Equalization, Robert E. McDavid lashed out at Bonelli's administration of the board in a scorching address to the Oceanside-Carlsbad Republican Women's Club in Oceanside, Monday evening.

Vigorous in his attack on Bonelli, McDavid charged the incumbent board member with operating his department from "beneath a cloak of suspicion and doubt" with complete disregard to his oath of office.

McDavid asserted, "Bonelli has known for a long time that dishonest activities have existed in the Liquor Control Division of the Fourth Equalization District, especially in the San Diego office. Certainly he has known of those irregularities since the Weinberger Investigations last winter, and certainly those irregularities were called to his attention again, and again, during the San Diego County Grand Jury hearings last April and May, but Mr. Bonelli condoned those conditions and tried to justify them on several occasions.

"The responsibility of the maladministration in the Fourth District Board of Equalization rests squarely upon the shoulders of William G. Bonelli," McDavid said.

McDavid is the Republican nominee for Member of the Board and will oppose Bonelli in the November election. Bonelli recently changed his registration from Republican to Democrat.

SCHOOL BOARD TO HAVE SERIES OF MEETINGS WITH COUNTY SUPERINTENDENT'S STAFF

First in a series of open school board meetings between the County School Superintendent and members of his staff, and the Lemon Grove School Board was held Monday.

Dr. Cecil Hardesty, County School Superintendent said that similar meetings would be held with other school boards.

Sparked by school board member Chan Mason, the group discussed curriculum at length. Dr. Hardesty stated that the state board mainly decides what is to be taught and what books are to be used.

San Solleder, assistant Grove superintendent said California students recently were winners in a nationwide contest.

Dr. Francis Drag, superintendent of curriculum for the county said a "delayed" style of arithmetic is being taught and that California pupils appear to be behind students of other states, but he said, they even out at the end of their schooling.

FIRST GRADUATES IN HUNTER COURSE

Captain Willard Greenwald of the Department of Fish and Game, presents the first Hunter Safety certificate to Sharon Netzley, age 11. She is the daughter of Mr. and Mrs. Byron Netzley.

Sharon was the only girl in a class of 20 students who enrolled in the Hunter Safety program conducted at the Lemon Grove Junior High School.

"Frenchy" Faucher, Lemon Grove postmaster and Roger Johns, of the Lemon Grove Camera and Sport Goods Store are the instructors of the course.

Parents interested in having their children taught the proper handling of firearms should contact Roger Johns at the Lemon Grove Camera and Sport Goods Store.

The next class will be held at the Lemon Grove Junior High School October 6, beginning 7:30 p.m. The class will be held one night a week for five weeks.

Series of Incorporation Meetings Planned

A series of five meetings on incorporation will be held on alternate Tuesdays, it was announced this week jointly by Bob Gauldin and Forrest Baxter, co-chairmen of Organizations United for Incorporation.

The meetings are to be informational, featuring speakers from other municipal governments. Dates set are October 5 and 19; November 2, 16 and 30 and all are scheduled for the Lemon Grove Junior High School Cafetorium at 7:30 p.m.

Gauldin said that everyone who seeks information will be given a chance to be heard and the meetings are designed to give unbiased and honest information on every facet of municipal government.

That everyone who sincerely wanted information could obtain it at these meetings was promised by Baxter. "The meetings will be held in the truest concepts of democratic principles," he stated. "If anyone fails to know what the incorporation plan and cost is to be, it will be because they have not availed themselves of the opportunity to get the information at these meetings."

Notice of these meetings, together with announcement of speakers, will be published prior to the meetings. Any question concerning meeting place or time will be answered by the Review at HO 6-1168.

Tuesday Meeting Set for Court Teresa Group

Mr. Kenneth Kraettli of Kenard's Floral Shop, will show flower arrangements for table decorations as well as different types of corsages before the regular business meeting of Court Teresa of Avila, Catholic Daughters of America, Tuesday evening, at St. John of the Cross auditorium.

Mrs. A. H. Osterberg, Grand Regent, announced that new members will be initiated Tuesday evening, October 19, at 8 p.m., in St. John of the Cross Auditorium, Lemon Grove.

At the close of the business meeting, refreshments will be served to the beautifully decorated tables by the refreshment chairman, Mrs. C. L. Rodefer, who will be assisted by Mmes. M. L. Lynch, R. L. Woestman and W. C. Madigan, Jr.

About three months ago (June 24 to be exact) we mentioned the possibility of the development of a large shopping center adjacent to Lemon Grove. With the announcement Sunday of the purchase by the Walker-Scott Corporation of 62 acres at College and Federal, this project is now out of the dream stage. We congratulate Norman Lighthart on the consummation of a deal that has been pending for months.

We gather this one from the English publication "Punch." (We have to go overseas for some of our information as our outlook is not altogether local.) "Cecil deMille now casting a new film is hunting for a girl 'both intelligent and beautiful' to be in it. The quest is older than time and in the end he will have to accept the conditional compromise — a beautiful girl who is at least intelligent enough to know that intelligence doesn't matter." Who says the English have no sense of humor?

The State Senate Interim Committee on Social Welfare Special Report gives us this information on Proposition No. 4 which would provide for inflated Old Age Pensions. Briefly there are seven states in the union paying over $60.00 monthly old age benefits. Latest federal figures available show that Connecticut pays $1.26 per month over California, and Colorado $3.51. California average monthly payment to recipients of old age pensions is $69.04. But, keep this in mind, the six other states combined have only 265,869 beneficiaries, while California pays on 271,826—just 5,957 more than these other six states com-

The Dimmer VIEW

by Max Goodwin

A good bartender is a newsman's best friend!

Give me a half hour with an alert bartender and I'll be able to prophesy many of the lawsuits and divorces in the community for the next year or so.

To make this statement stick, I've first got to establish the fact that some of the barkeeps I know possess some sterling qualities, qualities much brighter than the swizzlers whom they face day in and day out.

A bar-keep is a hep guy and in addition is a human being, but he takes a lot of guff to hold his job. I know for a fact that hardly any bartenders steal anything like the amount from their bosses that they're accused of. As a matter of fact, the two bartenders I'm about to tell about have never had it charged nor proved that they stole anything. Actually, their interests are apart and above the intrinsic considerations of their whiskey-world. As a matter of further fact they are hobbyists of the highest degree, and their hobbies are the home grown variety, each of them having eight children. Lest anyone misunderstand and accuse all bartenders of being honest and possessing eight children, I'll pinpoint them as Harvey, at Michael's, and Russ, at Pal's.

Now here's how a newsman can collect a beat in a pub. Let some otherwise reputable businessman and churchgoer start hitting the mahogany regularly and the barman may give you a tipoff. "Say, Ole' Oswald is getting to be a good guy," he'll remark in an offhanded fashion. "Hasn't' missed a night in three weeks."

Two months later he announces the closing of his variety store. The bartender handed it to me well in advance in a three-quarter ounce glass.

Similarly, let some married chick show up in the company of a varied and sundry list of masculine drink buyers. The bartender knows there's a divorce at the end of the string and he'll tip it off, albeit obliquely, if he's your friend. Fights, feuds and future business deals all cross the bar

What is Incorporation?

Part 3 of a Series
By RICHARD MILBRODT

We have said that no more than $1.00 per $100 assessed valuation can be levied for general fund purposes. Perhaps it would be helpful to explain what is meant by the term general fund.

Practically all municipal expenditures are out of the general fund. That is to say that nearly all revenue is lumped together in a pool. From this collective total, payments are made for basic services. Basic services are those that effect the city as a whole such as fire, police, and health services. Special services for particular areas of a city are usually paid for separately by the people effected. Not only is this done because of the law which specifies usage of general fund money, but because of equity.

Construction of curbs, sidewalks, and similar improvements are undertaken by the people that want them through the city. Thus the city may be helpful in supervising the work, establishing uniform standards, etc., but the city taxpayers as a whole cannot be called upon to pay for specific improvement to sections of the city. In addition, any bond issues that the voters may feel necessary to pay for some capital outlay project is an expense carried separately from general fund items. Thus a bond issue repayment may be added to the maximum permissible $1.00 city tax rate.

Revenues Varied

So far we have only been discussing property tax as a revenue for municipal services. While property tax is one of the largest revenue sources, it is diminishing in some cities, and is definitely only one of several sources.

The sales tax is one of the most lucrative taxes, especially in California cities where the tax has been more widely used than anywhere else in the United States. Common practice is to levy ½ of one per cent in addition to the statewide levy of three per cent on taxable items. In some cities the return from sales tax has produced more than property tax. This is justified by economists who claim the sales tax reaches more people than the property tax, thus distributing the tax burden more fairly.

Business licenses, dog licenses, fines, forfeitures and penalties are other devices of collecting revenue for the city. In addition there are some taxes collected by the state and returned to the area from which they are collected.

One of these is gas tax. The gasoline tax is not disbursed to the general fund, which is the reason we said nearly all revenue goes to the general fund. Gas taxes are specifically allocated for street and road construction

M. H. P-TA Lays Plans for Carnival

More than 200 people attended the first meeting of the Monterey Heights P-TA held at the Monterey Heights school auditorium September 16.

The salute to the flag was led by Mrs. Phillip Titmas' Brownie Troop, No. 375, and followed by group singing of "America" led by Mrs. K. A. Bowen. Piano accompaniment was played by Mrs. L. F. Smith.

Monterey Heights P-TA approved the budget and a report was given by Mrs. John S. Durham, ways and means chairman, on plans for the Halloween carnival to be held at Monterey Heights school on October 30.

Following the business meeting members of the faculty of the Monterey Heights school were introduced by Arthur Thomas, school principal, and members of the executive board of the P-TA were introduced by Mrs. Carl E. Nelson, P-TA president.

Mrs. Fred Gurney, magazine chairman for the P-TA, gave a short talk on P-TA magazines.

Room count was taken by Mrs. Ernest Denlinger, hospitality chairman, and the room award went to Mr. John Thum's fourth grade class for having the most parents in attendance.

Mrs. Jens Hutchens, guest speaker, gave a practical demonstration of the methods used to teach songs to kindergarten children.

United Success Drive Goal Set at $6,626.00

The official quota for this year's United Success Drive for the Lemon Grove Area has been set at $6,626. This goal includes all divisions of the campaign.

The Pace Setter Division of this year's drive is already under way in the Lemon Grove Area, as is the Commerce and Industry Division.

The first indoctrination meeting of the Lemon Grove Residential Division was held at San Miguel School on Tuesday, September 14. Burton Jones, Associated Cities and Towns Chairman, presented the plan of procedure in this year's Chest Drive. Community Chest executives, Paul Pinnell and Phil Acker, discussed the technical side of the campaign. Approximately 30 people attended, all of whom were area and division chairmen. The Division Chairman stated that there were about 270 campaigners to be recruited in the near future.

RED CROSS VOLUNTEERS URGENTLY NEEDED

San Diego County Chapter Red Cross urgently needs service group volunteers to meet growing needs in hospitals and other community organizations, Mrs. Philip Lish, recruitment chairman, announced.

The creation of a completely new nurses' aide program to meet a request from the Children's Hospital demands 20 new volunteers to work with professional staff in serving sick and crippled youngsters.

Love in Bloom by Mrs. Willard Skoglund

It takes little camera ingenuity to be a prize winner in a snap shot contest. Most anything that interest has a good chance. Main thing is to cock the camera and fire away as Mrs. Willard Skoglund, 6361 Jeff St., did when her little daughter, Lilly, and a neighbor's child, Lynne Shult, met each other face to face. Willard is a draftsman with Convair.

The contest is entering the closing stages and there will be two more awards after this week. The rules are simple: just bring in a snap with the negative to the Lemon Grove Camera Shop on Broadway and you're in. Winners will receive a rich and tasty cake from the Swedish Bakery at Mayfair; two barbecued ribs dinners at Pal's Restaurant on Imperial Avenue; two basketburger dinners at the Lemon Grove Drive in Restaurant on Broadway near Massachusetts and two tickets to the Grove Theatre.

Bear in mind that there is nothing to buy and nothing to write. You needn't even have the film processed at the Lemon Grove Camera Shop.

Civil Defense

By CHARLES GURLEY
Advertising Doesn't Cost, It Pays.

Undoubtedly you have heard or read of CONELRAD, the emergency radio wave length over which all messages will be transmitted or received should any bombing take place, and possibly you have made mental or other notation that such wave lengths are to be 640 and 1240 and so far that is all to the good, but asks Dr. Frank B. Gigliotti, what about receiving radio messages, if at that particular time our electric power happens to be also out of commission and our regular radios were useless?

"Under such circumstances," warned Dr. Gigliotti, "only battery operated sets would be able to function and receive messages, and so it would be best that each home have a battery operated set and thus be independent of possible power failures, or at least locate the nearest neighbor who has a battery set and will be able to get such emergency messages for you.

"We all hope and pray that such need will never happen but know of no one who can give any such assurance that it wont, and therefore the next best thing is to be prepared for whatever eventuality that may occur," he said. Remember that next Tuesday is October 5th and the date for our next Civil Defense meeting. We have quite a number of interesting matters to discuss. Be there. For the benefit of any possible new comers, we meet at the Youth Center.

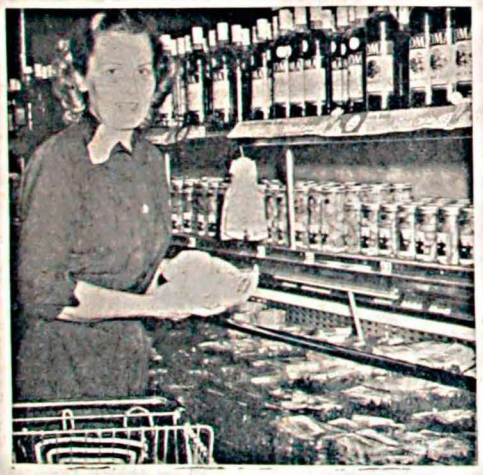
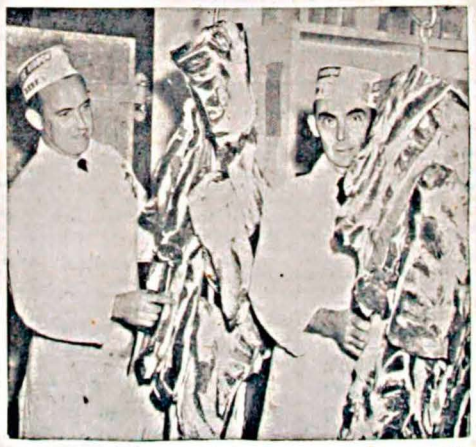
A Market Is Known By It's Meat, MAYFAIR Is TOPS



The wife of a minister, Mrs. George Morgan Sr., (he is minister of the San Diego Nazarene Church) is a regular meat market patron at Mayfair. The couple resides at 8544 Gateside in La Mesa and have two children, George Jr., 15 and Judy, 13. "We love Mayfair meats," Mrs. Morgan said. "We shop here regularly and as far as I'm concerned, Mayfair is tops."



Even to the unpracticed eye this is U. S. graded Choice beef. After it is prepared under the most sanitary conditions ever devised, it is packaged and sealed against further handling and labeled Mayfair Blue Ribbon. Nothing but U. S. Choice ever goes into the package labeled Blue Ribbon and Glenn Hodges and Marvin Breedlove, with years of meat cutting experience, are additional assurence that you get the quality you pay for.

We think that quality is a prime factor in your meat purchase. Not everyone can afford to purchase top quality steak as a regular diet. When the patron finds it necessary to purchase budget quality beef, for example, they are entitled to the best quality in this grade that is obtainable. Similarly, when top quality is paid for, the patron should be able to know that the package will contain exactly what the label says.

These are some of the reasons for Mayfair's meat market popularity. If you are not now a patron, we are certain your first visit will convert you.

Ursula Rothschild, an attractive miss who is one of several Mayfair meat wrappers. Attractive and dainty as the packages she prepares, Ursula chooses carefully and weighs accurately the contents of each package. When you choose it, you know the contents exactly. Transparent wrappers give you a further preview . . . and when it is opened at home, pride of purchase coupled with confidence of indicated quality makes you all the more pleased that you shopped at Mayfair.

Iwana Gardner, a Navy employee, requests a special cut from Mayfair head butcher Gene Moon. A widow, with a daughter, Patricia, aged 10, with whom she lives at 6927 Central Ave., Mrs. Gardner find little time for long shopping trips.
"I like to get in and out of a market fast," she said. "There is never a problem of choice at Mayfair meat counter. I read the label and that's what's inside. It's a comforting feeling. I like Mayfair for that reason."

MEMBERSHIP DRIVE OPENED BY PHILHARMONIC SOCIETY

The San Diego Philharmonic Society will open its 1954 Winter Series of concerts Sunday, October 17 at the Russ Auditorium with Werner Janssen conducting, Burling Stump, society president, has announced. This will be Mr. Janssen's second season with the San Diego Philharmonic Orchestra. He is one of the world's leading directors of symphony and recording orchestras, Stump said.

The Society has launched an extensive membership campaign throughout the county in addition to its concert ticket sale program. Mail orders for both the October 17 and November 21 concerts should be sent to the San Diego Philharmonic Society, P.O. Box 3183, Hillcrest Station, San Diego. All seats for the Sunday concerts will be reserved and are priced at $1.00, $1.50, $2.00, $2.50, and $3.00. A special section has been reserved for students and servicemen for $.50.

GROVE SCHOOL LUNCHES CHEAPER SAYS MRS. PFISTER

Over 800 students each day have been purchasing well-balanced, type A lunches at the school cafeteria in the Lemon Grove District, according to Mrs. Ruth Pfister, cafeteria director. Priced at a minimum of twenty-five cents, these hot lunches available to all pupils cost less than those offered to boys and girls in many other districts in the county.

Younger children on double sessions at the elementary schools are urged to eat lunch at the schools, either after the morning classes or before the afternoon session, stresses Mrs. Pfister. For those children who carry sack lunches, milk is available at six cents.

Golden Ave. pupils eat at the cafeteria on School Lane, as do the junior high pupils. Mrs. Janet Andrews is cafeteria manager. The Vista La Mesa cafeteria has Mrs. Frieda Perkins as manager; Monterey Heights is Mrs. Ina S. Del Plaine; and San Miguel is Mrs. Mattie M. Coyle.

The cafeteria staff is planning a parents' visitation day, at which time mothers and fathers will have an opportunity to observe the children at mealtime, enjoy a lunch in the school cafeteria, and join in a general discussion period later with the cafeteria director. When plans for this visitation are completed, invitations will be sent by grades to the homes of all pupils.

Chief Kinnaird is in French Indo China

HAIPHONG, French Indo China (FHTNC)—Navy Chief Machinist Elton R. Kinnaird, husband of Mrs. Hazel Kinnaird of 3139 Massachusetts Ave., is aboard the USS Bayfield, taking part in the evacuation of the anti-communist Vietnamese refugees to Saigon.

The attack cargo vessel Skagit and attack transport Bayfield began the evacuation operation in August when ships were ordered here at the request of the French and Vietnamese governments.

More than 200,000 refugees are expected to be transported before the end of the operation.

Barbara Troxel, 2024 Fairhaven Dr., a Helix student, models a gown from Lowe's Toggery. Lowe's will supply the fashions for the Job's Daughters style show October 2.

A fall style show will be presented October 2 by the Lemon Grove Job's Daughters. Combined with a luncheon, the affair will be held at 12:30 at Friendship Hall and tickets are 75c.

Clothes are to be furnished by Lowe's Toggery. Chairman of the affair is Jackie Coyle. Models will be Sharon Mueller, Sharon Sanders, Donna Bell, Karol Rife, Patty Madeiros, Bayda Ann Shelton, Barbara Troxel, Sherry Hancock, Carol Philips, Donna Easley, Jean Lee, Peggy Lester, Valeria Hoard, Beverly Bodie, Loretta Bell, Mmes. 22 HOUR FIRST AID CLASSES OFFERED

A Red Cross First Aid class is offered at Grossmont High School starting October 6 at 7 p.m. This is a standard 22 hour course, and a First Aid Certificate will be issued to those who successfully complete the course.

Please register in Room 52 in the Science building. Bring with you 60 cents for a first aid book, a triangular bandage, and paper and pencil. Stanley Rose will instruct.

HIGHLAND HUDDLE

By ARVIS REED

For a team that is rated to come in fourth in a five team league, Helix did a darn good job Friday in the First Metro League Football Carnival when the antagonist was Chula Vista.

C. V. made their one and only t.d. after a series of bad breaks for "our boys." Some of the fellows whom I credit with holding the opposition back are: Henry Bonilla, Sonny Beyer, Leo Kennison, Tom Welbaum, Gary Dunn, Karl Jordan, John Pfiester, Jim Hurst, Allen Newron, Carl Browning, Stewart Slaon, Ernie Miller, Bill and Bob Turping, along with many other of the wonderful players.

Coach of the Week

Tom Welbaum is in his second year at Helix as assistant varsity coach. He has proved himself a valuable aid to head coach Maynard and in this short time he has become very popular with the team.

Welbaum was born in Akron, Ohio and attended Ohio State. He lettered in football three years and was a member of the Big Ten championship team in 1939. He then took up coaching as a profession, became a physical training instructor for Navy pre-flight teams. He brings much valuable experience to Helix.

Royal Arch Masons' Centennial Dinner Set for Next Month

The 27th district of Royal Arch Masons centennial celebration dinner will be held at the Masonic Temple, 350 Cedar St., San Diego. Time: 6:30 p.m., October 9. All Masons and their wives are cordially invited to attend. Entertainment will be by the Al Bahr Shrine Band and the famous Ladies Dish-Pan Band of El Cajon. A talk on the history of Masonry will be delivered by the noted historian of Masonry, Dr. Charles Lathrop Warn, Ph.D., L.L.D., D.D.L., a graduate of St. Augustine College of London, England. There will be card games for the ladies while the men are being entertained by the speaker.

GROVE DEMOS TO HAVE GOOD REPRESENTATION AT JEFFERSON-JACKSON DAY DINNER

Lemon Grove's new Homeland Democratic Club will be represented at the party's annual Jefferson-Jackson Day dinner at El Cortez Hotel in San Diego Friday, Oct. 1.

Guest of honor and only speaker at the dinner will be Rep. Sam Rayburn of Texas, House minority leader and a 21-term Congressional veteran.

Minimum contributions of $25 for men, $10 for ladies, are sought for tickets to the dinner. The money is used to help finance the campaigns of all local Democratic nominees, including Lemon Grove's 28th Congressional and 77th Assembly districts.

REPORT FROM MAYLAYAN DISTRICT NO. 1

Ed Bulen, assemblyman from this district, will be host to a Maylayan exchange student this fall although Bulen's district only runs as far as National City.

Dr. Jens Hutchens, special services superintendent for the county was also present as was the complete school board and members of the district administrative staff.

PACK 399 RECEIVES CHARTER

Monterey Heights Cub Scout Pack No. 399 held their pack meeting Friday, in Monterey Heights School auditorium, for the first time. It was a big success and everyone had an enjoyable evening. John Ott, chairman was master of ceremonies.

Dolores Moe, Den Mother of Den 2, had trained the boys in her den for the flag ceremony with the two new flags which were donated by the North East San Diego Exchange Club.

Mr. Joseph Pergl, institutional representative, was present to accept the official charter for the pack, presented by Mr. Kelly, scout executive. Mr. Kelly and Ed Pie, Cub Master of Casa de Oro Pack, also took part.

The den mothers, assistant den mothers, and committee members received official registration cards, classifying them as registered leaders. John Ott, chairman, Warren Buckner, program committee, Laura Tarditi and Agnes McDaniel, den mothers, and Betty Smith, assistant den mother, all received their registered training cards, thus making them registered trained leaders. Douglas Buckner received his wolf badge. Micky Aarup, Vernal Goodman, Robert Hanes, all received denner stripes. Stephen Bellwood, Michael Falcone, Gary Clarke and Larry Tarditi all received assistant denner stripes.

Estelline Bellwood, den mother of Den 1, Lee Guy, den mother of Den 6, and Julie Bracken, den mother of Den 7, all got together with the boys in their dens and put on a skit called "The Gold Rush," which was put on with professional skill, although the boys only had one rehearsal.

VOGUES TO MEET TUESDAY

The Vogue Section of the Lemon Grove Woman's Club will hold their next business meeting on Tuesday at 8 p.m. in the club house. Plans for the coming club year are being discussed at this time.

Want to remind all women who are interested in joining the club to call Harriet Bergquist at HO 6-5456 and she will be glad to give you any information.

University Women Invited to Fall Festival

An open invitation to all San Diego women graduates of colleges or universities who may be eligible to American Association of University Women, to attend the Fall Festival of San Diego branch, Saturday, October 9, at 11 a.m. at the clubhouse grounds, 208 W. Juniper, was extended today by Mrs. John S. Chambers, festival chairman.

A Lemon Grove resident, Mrs. William P. Beighle, 1640 Skyline Dr., is a member of the very important festival luncheon committee.

A warm welcome and a hostess system to introduce guests is being arranged by Mrs. Edgar N. Sanford, membership chairman, and information on membership may be obtained by calling her at AC 2-8537. Purposely not a fund-raising event, the festival's aim is to acquaint members and potential members alike with the wide range of branch activities.

Reservations for luncheon at the "Cafe Cosmopolitan," a gay sidewalk cafe in European style, should be made by Oct. 5, by calling Mmes. J. B. Askew, L. H. Bogess, Carl S. Burkett or Bernet S. Hale.

MRS. CALHOUN ENTERTAINS SPANISH GROUP

Mrs. Mabel Calhoun will entertain the Spanish section study group of the La Mesa branch of the American Association of University Women at a luncheon at her home at 8345 East Mount Vernon Ave., in Lemon Grove, at noon on Wednesday, October 6.

It is the custom of the group to speak Spanish at the informal social meetings, and this one will be no exception. Each member is supposed to tell something about herself and her summer activities—in Spanish, of course. The purpose of the section is not only to provide opportunity for practice of speaking Spanish but to stimulate interest in the Spanish language and the Spanish-speaking people of the world.

Gals Smoke 'Piece Pipe' at Woman's Club To-Do

A big pow-wow was held Tuesday, September 28, by the Lemon Grove Woman's Club Juniors at the Woman's Club House. This party was to show new members there's fun with the work in belonging to the Juniors.

Smoking the "pipe of peace" between the Junior and Senior sections of the Woman's Club, are left to right, Mrs. David Hentigan, Sr., president and Mrs. B. M. Castle, second vice president of the Juniors. Witnessing the proceedings are Mrs. George Krueger, County Federation President, and at the right of the teepee, Mrs. Dan Young, Southern District President.

The club house was decorated in the Indian decor. Mrs. Harold Hatton was chairman of the refreshments. Mrs. Castle and her committee, Mmes. Wm. Miller, Bennie Jones, Tom Mitchel and Philip Titmas arranged games and prizes to enliven the evening.

Barker's Key Shop Moves

Barker's sharpening and key service has moved from 8250 Imperial to 7954 Broadway, it was announced this week by L. S. Barker and S. J. Mulder.

Barker said that he will handle a larger stock and will be able to give whatever added services are needed by the community.

PHOTO PAINTING COURSE AVAILABLE

A course in photo oil painting and the art of painting on canvas is available at the Grossmont High Adult School every Tuesday evening.

The course is said to be the only one teaching the brush technique. The class is designed to answer industry's demand for good photo artists. Dry mounting, spotting and toning will also be taught. Mildred Dilley is instructor.

"Indian Summer" Theme of B. W. L. Dance

Members of the Lemon Grove Business Women's League and guests attended a dinner dance at Casper's Ranch Club, Saturday evening, September 25, 8:00 p.m. The Indian Summer motif was carried out with gaily colored teepees and autumn leaves adorning the tables. Decorations of the band stand consisted of a large teepee painted with tribal designs. Included was a realistic figure of an Indian brave.

The decoration committee included social chairman, Dorothy Louer, and Ina Leonasio. Music was furnished by the melodious "Melody Aces," with June Erwin doing the vocalizing.

on the edge of a "shot glass."

In order to milk this information from the man behind the bar you've got to know and understand him. You've got to know the name and sex of each of his eight offspring. Moreover, you've got to be able to sincerely sympathize with him about the customer's demand that he be the same friendly cuss today that he was last week, or last month, and the purchase of a bottle of beer gives the patron the inalienable right of demanding to know why the hell he isn't just as happy and care-free as he was 13 weeks before.

The bartender therefore puts on an act. Talullah Bankhead could not do better. The guy faces the drinking side of the bar with a happy face, a polite greeting and a respectful mien.

He laughs heartily at the jokes he's heard 40 times already that day; he says something nice about the management while possibly the tightfisted old miser who owns the joint has been laying in the back room for three days, shellacked to the ears and incapable of making out the weekly pay check which is long overdue.

In addition to this, the poor rascal who smilingly hands you the drink, has just been chewed out by the chef, his wife has called just an hour before saying that the doctor thinks the fifth child needs an operation and that father-in-law is out of a job and is coming west to live with them. Also the register shows up $6 short. What a life!

While you bon vivants are living it up and in a carefree, casual way, proving your wit by being insolent to the bartender, this is to let you know that at least two people are not insensitive to your abusiveness. They are the bartender's wife who loves him, and I, who respect him. Let this serve to make you more circumspect the next time you feel the urge to give free reign to your inhibitions in order to show what you consider to be your intellect and perspicacity to your bartender while actually you're only showing your drunken stupidity.

bined. George McLain, who seems to be irrepressible in his activities to promote Proposion No. 4, is doing very nicely on his own. We doubt that he will ever qualify for an old age hand-out—he is getting his right now. Our welfare load is heavy to a point of saturation. If Proposition No. 4 is not defeated in November our tax load in San Diego County will be increased 6.3 cents per $100.00 of assessed valuation. These are not our figures but those of the California County Supervisors Association, and they should know.

A man had been looking for a good church to attend and he happened into a small one where the service was under way. The congregation was reciting with the minister "We have left undone those things which we ought to have done and have done those things which we ought not to have done." The man took a seat a said to himself "Thank goodness I've found my crowd at last."

SCOUT AND BROWNIE PLANNING BOARD TO MEET

HELIX TO TRY FOR THOUSAND P-TA MEMBERS

By MRS. PHIL GALL

Drive at Helix High School for 1000 P-TA memberships will start Tuesday, it was announced by Mrs. Max Gundry, membership chairman of the Helix High P-TA. She is being assisted by Virgil Duea, faculty and men's membership representative, Neil Curtiss, Associated Student Body president, Mrs. L. E. Burner, posters, and Mrs. J. A. Vogt.

Memberships are only 50 cents per parent. We need you, Dads as well as Moms! Your membership in Helix P-TA is a stock in your child's future. Your help and support will buy scholarships for deserving students. We need you to raise funds for the organ fund and many other projects. Let's show our children we are back of them 1000%. Let's get the organ this year!

Helix is still in the process of building traditions. It takes time and effort on all sides to make it the great school we want it to be. JOIN NOW!

DOINGS OF GIRL SCOUT TROOP 280 LISTED

Girl Scout Troop 280 at their meeting recently formed two patrols and elected officers.

Patrol leaders Sandra Summers and Sharon Szalay; secretary, Sherry Andrews; treasurer, Judy Taylor; historian, Sharon Szalay; publicity chairman, Peggy Taylor; representative to the neighborhood girl planning board, Joleen Booth.

The troop has planned many projects as part of their community service for the year. They have offered their services to the Golden Avenue P-TA to help the adult baby sitter care for and entertain small children during the meetings—four girls will help at each meeting. They presented the Lemon Grove Library with a Girl Scout hand book. This will help the many girls who do not have books.

At the meeting on Friday, the troop will start making bean bags, doll dresses and many other things for the Halloween Carnival Fish Pond. The girls are bringing many outgrown toys, games and white elephants to the meetings. Anyone who has anything that could be used in the fish pond, if they could turn them over to any Girl Scout or Brownie, the girls could start wrapping and sorting them at once.

The girls of troop 280 are going on a skating party Monday. Everyone is planning on having a wonderful time.

Delphians Round Out Year of Study

With discussion of "Life's Values," the Alpha Beta Chi Chapter of Delphian will complete a year of study in "Patterns for Modern Living." A full attendance is urged at this meeting in Hilltop Chateau, Lemon Grove, at 10:00 a.m., October 5.

Mrs. E. J. Billman will introduce the seminar which accentuates necessary factors for personal happiness and world stability. Other leaders of discussion will be: Mmes. John B. Dail, T. H Gillespie, Arch J. Henry, David Hentigan, and R. W. Ayres.

Since new programs will be ordered by the secretary, Mrs. Dail, all member requests should be handed in at this meeting.

MEN'S ART EXHIBITION TO BE HELD OCT. 31

The San Diego Men's Art Institute, Inc. is now receiving entries for their first All San Diego County Art Exhibition which will open October 2 and continue to October 31. Paintings in any media and sculpture may be entered by any artist whose residence is in San Diego County. There are no size limitations to the entries.

The Institute's new gallery in the House of Charm in Balboa Park, San Diego, offers a choice location for such an exhibition. Seven thousand people have enjoyed the exhibitions in the gallery since its opening last June. A jury of three artists, whose homes are not in the county, will judge all entries and give the awards.

An entry blank, stating the terms of the exhibition, may be obtained by writing the San Diego Men's Art Institute, House of Charm, Balboa Park, San Diego 1. Entries will be accepted at the gallery on Wednesdays, Fridays, Saturdays and Sundays, between the hours of 1:00 to 4:30 p.m. until September 26.

The All County Exhibition will be open free to the public on Wednesday, Friday, Saturday and Sunday afternoons, beginning October 2 and closing on October 31.

PARAKEET SHOW DATES ANNOUNCED

San Diego's second annual Parakeet Show will be held in the Electric building in Balboa Park October 23 and 24, it was announced yesterday by the co-sponsors, the Retail Pet Supply Association and the Budgie Society.

Throwin' The Bull

By Bob Turnbull

Smile . . . A secret, to a woman, is either not worth keeping, or it's too good to keep.

—o—

Helix Third . . . I predict that Helix will wind up their league game scuffles in third place in the newly formed Metro League. If my calculations are correct the season should be closed with Chula Vista as the big bowling ball with Grossmont, Helix, Sweetwater and Mar Vista (in that order) as the four smaller pins. Chula has good runners, winning tradition, big boys and 12 returning lettermen. GUHS has good receivers, overall depth and 16 returnees. The Highland '11' has nine returning lettermen, quick starters in the backfield, inexperienced line and a poor previous season. The Red Devils that hail the Sweetwater High gridiron as their practice turf have nine returning lettermen, big line but no quarterbacks to write about. The Mar Vista Mariners have seven returnees, smallest enrollment, and no reserve strength, but a scrappy team.

I hesitantly nod in Hoover's direction as I pick them to be the winning wheel in the city prep football race. Following the Cardinals will be (I hope) San Diego Cavemen, Point Loma Pointers, Kearny Komets, La Jolla Vikings and the Lincoln Hornets. Hoover has 18 returning lettermen, experience, power, depth, big line, all the signs of a successful year. San Diego has only three lettermen back but seemingly always turns out a good team. Point Loma has ten regular lads back home, experienced and quick halves, but no reserve strength at ends. Kearny has eight returning lettermen, good balance, lack of depth. La Jolla has five returnees, fast halfbacks, light linemen. Lincoln has 22 JV fellows back playing their first year of varsity, capable passers, overall inexperience.

Last Friday night our own Diego JC Knights were smeared by Riverside's JC '11.' We have a good team but lack team spirit. The trouble with our JC team, as is with many Junior College footbal teams, we have the cream of the crop from various high schools and they play for too much individual glory instead of using team work. But they have eight big games left to prove themselves. Tomorrow night we play Phoenix here!

Skriv's Skreemer . . . "Big" Rich Skrivanek of Monterey Heights threw a cool jewel a few moons back that drew in many party lovin' hepsters. Everyone tore up—including one of Skriv's guitars. The dancing and coke guzzling mass of jibbering humans were: Dick, Bob Jacobsen, Larry Wesfault, Ronnie Goubble, Bonnie Jacobsen, Bunny Wrede, Randy Gatewood, Jim Hill, Fred Stemen, Larry Farrell, Don Allen, Jick Buckner, Ricki Davis, Jim Shreve, Jim Roverson, Bob Humphreys, Gary Davis, Jim and Lois Speer, Bud Davis, Jim Ethridge, Stewart Sloan, Sunny Beyer, Shirley Kuhn, Jo Soderburg, Jim Heim, Bob Turnbull, Jim Roberson, Richard Speaks, Jerry Skeie, John H. Jennings, Dick Cunningham, Larry Shaw, Jim Barrow, Lois Lahar, Bob Bluhm, and I hope that's all!

—o—

High-Stepping . . . drum majors total seven in the City League. I think a little credit is due to the boys and girls that lead their fine bands in parades, during half-time intermission, etc. From San Diego, Alex Doig is drum major; as is Raoul Appel from Point Loma; Marcia Power, Kearny; Roy Millender, Mission Bay; Jan Gilpin, La Jolla; Lois Huguley, Lincoln; and Barbara Hare, Hoover.

—o—

Dance-Time . . . is the happening for tomorrow night in the Helix green room following the Kearny-Helix tussle. The music will be provided by Bill Russell's fine band.

Inaugural Ball . . . San Diego Junior College presented "The Inaugural Ball" last Saturday night in the Conference Hall in beautiful Balboa Park. It was a semi-formal affair that met with success.

State Sets 12 Fall Job Examinations

Twelve civil service examinations were announced today by the State Personnel Board in its fall testing program.

Psychiatric social workers, in demand by various state institutions, may qualify for employment. Supervising psychiatric social worker I pays $436 to $530, senior psychiatric social worker $395 to $481, and junior psychiatric social worker $325 to $376.

Correctional officers receive $310 to $376 and water and sewage plant supervisors $358 to $436.

Junior counsel job pays $358 to $415, the engineer $415 to $505.

College graduates with major work in engineering or biological science may qualify for junior vector control specialist at $325 to $376. Field assistant I, bureau of entomology, pays $268 to $325.

Four medical positions are open. They are director of clinical services, $1000 to $1150; psychiatrist III, $821 to $1050, and chief psychiatrist at a correctional facility or a mental hygiene clinic, both of which posts pay $950 to $1100.

Application forms are available at Department of Employment offices on Columbia Street.

STATE WILL FILL 6 KEY JOBS IN HEALTH, SANITATION

Applications for six job classifications in health and sanitation fields are now being accepted by the State Personnel Board.

The position of sanitary inspector requires a California certificate of registration. The job pays $325 to $395 a month.

In the same field, a civil service examination is scheduled for consulting public health sanitarian, which also requires a California certificate of registration, as well as three years' public health experience. Monthly salary range is $395-$481.

Electroencephalographic technicians are needed at hospitals throughout the state. Beginning salary is $281, with periodic increases to $341.

A surgeon specialist examination will be given for a position at the Veterans Home near Napa. The position carries a salary range of $745-$905.

New County 'Y' Secretary Named

Robert P. Kenyon began service this week as a County Y.M.C.A. Secretary and will be related to elementary school youth activities in Lemon Grove, according to Rear Admiral A. H. Gray, County Y President.

Kenyon transferred from the Phoenix Y.M.C.A. where he served in building activities. During the last war, he saw service as a fighter pilot on 73 missions in the European theatre and is holder of the air medal and distinguished flying cross. He is a graduate of Michigan State College and has attended Y.M.C.A. training schools. While attending high school in Detroit, he placed second in state diving competition.

An afternoon reception will be held Sunday afternoon September 26, at the home of Secretary and Mrs. William C. Poirier, in Fletcher Hills, Admiral Gray stated.

NOTED VOCAL STARS TO TAKE PART IN S. D. OPERA PRESENTATION

One of this county's top winter attractions will be the performance of Puccini's dramatic "Tosca" by the San Francisco Opera Company, Tuesday evening, Nov. 2 at 8:30 in San Diego's Fox Theatre.

This will mark the third year for the noted opera company to be sponsored locally in a major grand opera by the San Diego Opera Guild.

Opera stars Dorthy Kirsten, soprano, and Brian Sullivan, tenor, head a cast of world-famous operatic personalities including Robert Weede, Salvatore Baccaloni, Desire Ligeti, Alessio De Paolis, George Cehanovsky and Carl Palangi. Conductor will be Ernesto Barbini with Carlo Piccinato in charge of stage production.

Based on Sardou's celebrated play, "La Tosca," the opera received its first performance in Rome in 1900. It has since become a standard work in the repertoire of all the world's leading companies.

Tickets for the event are scaled from $1.50 to $10 and go on sale Monday, Oct. 4 at Palmer Box Office, 640 Broadway, San Diego.

Golden Avenue P-TA Membership Drive To Begin

October 4 to October 15 are the dates set for the 1954-1955 P-TA membership drive. This year the school is striving for 200% membership in each class.

As in previous years, a contest will be held with each class in competition, prizes are to be awarded to the rooms with the highest percentage of parents joining.

Membership Chairmen, Mrs. Howard Mays and Mr. Mays (representing the fathers) are stressing the need of fathers joining the P-TA and participating in school activities. Anyone who is a resident of this school district and is interested in school affairs is welcome although they have no children of grammar school age.

Envelopes will be sent home with the children for the purpose of registration. These to be returned with the 50c fee.

Wednesday, September 23, the membership committee met at the home of chairman, Mrs. Howard Mays, 8355 Golden Ave. Those present were: Principal, Mrs. Evelyn Lauritzen, P-TA President, Mr. R. H. Lange, Mrs. Bert Cosby, Mrs. Joseph Szalay, Mrs. Alfred H. Cole, Mrs. A. C. Riggs and Mrs. Orville Reese.

REPORTS GIVEN NEIGHBORHOOD CLUB ON DAY CAMPS

Monterey Heights Neighborhood Club met Wednesday at the home of Neighborhood Chairman, Mrs. Raymond Johnson, 1400 Skyline Dr. Reports were made on the success of the Brownie Day Camp and Intermediate Primitive Camp held in July and August, respectively.

Mrs. Johnson announced a Fundamental Training Course would be held Oct. 5, 13 and 15 at the La Mesa Youth Center from 9:30 a.m. to 12:30 p.m. with child care available. She also told of a meeting held at her home on September 21 for the purpose of organizing new second grade Brownie troops. Response was enthusiastic and at least three new troops will be formed.

Mrs. John Craig, 2009 Englewood Dr., will again be in charge of Girl Scout and Brownie uniform exchange, and urges that outgrown uniforms, washed and priced, be brought to her home, as the need is urgent at this time.

Mrs. Robert Buckner has accepted the chairmanship for the sale of Christmas cards by the Monterey Heights Girl Scout troops.

LOCAL CLUB REPRESENTATIVES SEE CONSERVATION PROGRAM

Mrs. Ervin Major and Mrs. Philip Titmas will be among the representatives of the various clubs in the San Diego area to attend a luncheon given by the House of Hospitality, Thursday.

The Richfield Company is giving the luncheon to show how oil conservation effects Californians. There will be a demonstration of an actual working model of an oil well and the following processes.

Mrs. Major and Mrs. Titmas are representing the Lemon Grove Woman's Club Juniors.

'PLATTER PARADE'

By BOB TURNBULL
HO 9-3448

"Oop-Shoop" . . . by Shirley Gunther leads the parade this week in the rhythm and blues department as far as Welch's Record Store is concerned! Following "Oop" is "Annie Had a Baby" screamed to us by The Midnighters, "Sh-Boom", still sung best by The Chords, "Honey Love" by Mr. Clyde McPhatter, "Zippity Zum," the newest record by The Chords, and "Shake, Rattle and Roll" by Joseph 'Joe' Turner.

Hollywood Whispers . . . Dimitri Tiomkin will present his original score from "The High and the Mighty" to the Smithsonian Institute. . . . Hawthorne is trying to interest Record companies in a three-minute record of surface noises for hi-fi fans who miss the hiss. . . . Deejay Al Jarvis kept careful track of time allotted to Stan Freberg's "Point of Order" so that if McCarthy cuts a record he can allow him equal time. . . . If you step into a music store and ask, "What's cookin?" don't be surprised at the answer. Victor has been putting culinary recipes inside some of their album covers.

Welch's . . . Record Store really has some fine deals. Johnny almost always has some 45 and 78 r.p.m. records on sale for only 67c. . . . He has almost every new single record that's come out in the past year . . . he has all types of music. Everything from children's records, up through modern, progressive, popular, jazz, western, rhythm and blues, standard, classical, operas, etc. You ask for it—and he'll get it!

Dancin' Dudes

By the SQUARE

The beginners' square dance class of the Dancin' Dudes found the dance they were looking for recently at their "Graduation Dance." Eight squares of people who have discovered the pleasures of good fun and company that are to be had in square dancing were joined by 12 squares of Dancin' Dudes and a top-notch gang of callers in a self-starting celebration that will be remembered for a long time to come. Pete Mighetto M. C.'d an evening of square dancing that won't be matched for quite a spell.

Guest callers and the dances they called were: "Route"—Helen Mighetto; "Arkie Traveler" — Zeke Fallis; "Lady Go Half Way Around" — Ray Lanto; "Down Yonder"—Don Frank; "Forward Six and Form an Arch"—Frank Dyson; "South"—Marion Ashton; "Catch-all Eight"—Juan Frank; "Susie" — Clarence Montgomery; "Four Gents Star"—Ralph Miller; "Hurry, Hurry, Hurry" — Carl Sunbury; "Arkie Star," "Poor Little Robin" and "Alabama Jubilee" —by club caller Pete Mighetto.

At intermission Shirley and George Vaght, two of the graduating class, entertained with a selection of old time favorites. Shirley played the accordion and George accompanied with his "Bass-Tubba"—that's a cross between a bass fiddle and a giant, economy size wash tub.

After the dancing all gathered inside and diplomas were awarded to the mortar-board topped graduates. "Dr." Mighetto, S.D. C.S., I.P.E., M.F.H., and R.G.J. (Square Dance Caller Supreme, Instructor Par Excellent, Mr. Friendly Hisself, and Real Gone Jiver) clad in traditional cap and gown delivered the inspirational, the diplomas and congratulations to each new square dancer as they came to the podium.

After the formalities refreshments were enjoyed amid decorations of blue and gold that carried out the graduation theme. Shirley with her accordion and George with his "you got to see it to believe it" "Bass-Tubba" were joined by Bob Smithwick and his "Ole banjo" to provide more music and fun. The staid gathering was rocked (yeah man!) by an impromptu jitterbug exhibition by Pete and Helen Mighetto—Square Dance Callers Blaspheme it was. Good too.

White Shrine of Jerusalem Meeting Is Friday

Mt. Helix Shrine No. 52, Order of the White Shrine of Jerusalem, will meet on Friday at 7:30 p.m. in La Mesa Masonic Temple, 4731 Date St., La Mesa.

Mrs. Raymond Blei, worthy high priestess, and C. Ward Jaques, watchman of shepherds, will preside for a stated meeting.

A ceremonial is planned and degrees will be conferred on new members.

Mrs. Frank Benz is chairman of the after Shrine party and refreshments.

The Mt. Helix Shrine officers are planning their annual trip to Acacia Shrine in El Centro where they will fill stations for opening and closing on Wednesday, October 20.

Halloween Carnival To Be Saturday October 30

President of the Golden Avenue P-TA, R. H. Lange, announced that the annual Halloween Carnival would be held Saturday, Oct. 30, 1954, on the grounds of the Lemon Grove Jr. High School. Anyone wishing to participate in this event may call the office of the Golden Avenue school or contact room mothers of the different rooms.

Principal, Mrs. Evelyn Lauritzen, welcome new Executive Board members, and thanked previous board members for their marvelous cooperation and work in the past.

The motion to accept the new budget proposed by the auditor, Mrs. Orville Reese, was passed. A detailed plan of expenditures was read to the group by Mrs. Reese.

An outline of each grade's "study course" was read and explained to the parents by the teachers of the various grades, in class rooms in the Jr. High School after the regular meeting. Refreshments were then served by the sixth grade room mothers.

Isabelle McCrae Sits as Governor Of the Ninety-Nines

Mrs. Isabelle McCrae of Lemon Grove, presided at the Southwestern Sectional meeting of the Ninety-Nines, Inc., international organization of licensed women pilots, over the weekend as governor, at Desert Air Hotel, Palm Springs. This section comprises of chapters from the states of California, Arizona, Utah and Nevada. Approximately 100 Ninety-Nines, husbands and guests flew to the meeting.

Mrs. McCrae is the present governor of the section and is a candidate for this office for the coming year.

In addition to reports of activities of various chapters, trophies were awarded the chapters having done the most for Civil Defense, having obtained the most new members, for having done the most in air age education, for having the most flying hours and for having done the most air marking. A prize will also be given the individual having the best attendance at meetings during the past year.

LETTERS TO THE EDITOR

Open letter to Mr. Dail

Dear Mr. Dail:

Because many of us did not sign the petition relating to Incorporation it does not mean we are uninterested in the future of Lemon Grove. We want the best and most economical form of government—but are we ready for any change at present? It would seem the situation should become more stabilized.

Driving around Lemon Grove I am amazed at the number of For Sale signs on homes and business places that have been opened and closed. It would be interesting to know how many stores are for sale or in the process of resale.

School bonds and increasingly high land values have caused taxes to rise at an alarming rate. At present can Lemon Grove support the cost of government of a sixth class city with its needed requirements?

If all plans could be carefully studied and put before the public in detail as to operating cost and should incorporation prove to be the most efficient and economical I feel you will have the support of the people of Lemon Grove.

Mrs. Randolph Morse.

Ed's note: The same amount of space, and space of equal prominence will be given to Mr. Dail, or anyone else who wishes to answer Mrs. Morse.

Dear Mr. Goodwin:

On behalf of Monterey Heights Cub Scout Pack No. 399, I wish to thank you for your donation of the American Flag, which flew over the U. S. Capitol.

We are very proud to be the new owners of this American flag and we will do our best to do our duty to this flag and the country for which it stands. We will respect this flag at all times and take care of it to the best of our ability.

Thank you,
Laura C. Tarditi.
Den Mother of Den No. 1,
Pack No. 399

Dear Sir:

On behalf of the Heartland Players of Lemon Grove, I would like to take this opportunity to thank you wholeheartedly for your and your wife's cooperation and informative suggestions regarding the re-organization of our group. We sincerely hope that we may, in the future, bring to our growing community, the sort of theatrical entertainment it would like to see.

Sincerely yours,
Barbara Arbuckle, Secy

Kiwanis Club was host to the new school teachers of the community as they are each year. Putting the Kiwaniannes in charge, the affair was classed, as it is each year, a huge success. Here is what one of the new teachers reported:

Dear Editor:

A week ago I had a delightful introduction to Lemon Grove's Kiwanians and Kiwaniannes. No better way could be devised to show us that Lemon Grove residents are tops as human beings with earthly roots, and spiritual, as well as social values, such as America can be proud of.

The dinner (OK you called it a luncheon but after it I had no room for dinner that night), was delicious. I was delighted that the Kiwaniannes were hostesses too.

My "Chief" introducer and his charming partner made me feel very happy that I chose and had been chosen to work in Lemon Grove School District.

May your club rise to even greater heights (accomplish incorporation for example).

Sincerely
(Mrs.) Mary Ann Snyder

WHAT'S DOING
Forrest Dokken, your L. G. Telephone manager

A radio powered by sunlight

For centuries man has dreamed of getting power from the sun. Perhaps you, too, have wondered about it. Well, now it's happened. Bell Telephone Laboratories has invented a solar battery that directly and efficiently turns sunlight into useful amounts of electricity. It's made from an ingredient of common sand. Even at birth, it supplies enough power to run a small radio set (right) or send voices over telephone wires. Much development remains to be done. But the Bell Solar Battery, used with transistors, offers great opportunities for improvement and economies in telephone service. Research like this helps us bring better telephone service to more people at the lowest possible cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Free booklet for your personal telephone numbers

Here's your handy guide to the local and out-of-town telephone numbers you call most often. By listing numbers you call frequently in this booklet, you'll be able to find them quickly and easily. And when you give the operator the number you want, out-of-town calls go through twice as fast. For a free copy, just call, write, or drop in at our business office.

BETTS HEADS LOCAL DEMOCRATS

The Homeland Democratic Club was formed last week when Democrats from the Lemon Grove-Spring Valley area met at the Golden Avenue school for organizational purposes.

Bert Betts was named chairman of the Lemon Grove unit; Mary Wagor was made chairman of the Spring Valley group. Mrs. Sumner Alpert was named secretary; Ignatius Leone, treasurer, and Mary Landesco was made director of the Advisory Committee.

Speakers included Sumner Alpert, president of San Diego Young Democrats; Lt. Col. Louis Padillo of the Democratic County Central Committee; Sheridan Hegland, candidate for assembly and Mrs. Zella Crown, vice chairman of the 80th Congressional District.

Persons interested in participating may contact Mrs. Miriam McKenzie, organization chairman at HO 9-2916.

SCHOOL SESSIONS SET FOR WORKING JUVENILES

Saturday classes are held at Grossmont High School for the convenience of those students living in Grossmont and Helix High areas who desire continuation school combined with work experience. The continuation school is for students under 18 but over 16 who have not graduated from high school and are employed up to 40 hours per week. By state law these students are required to attend one day per week until they are 18.

Regular classes are conducted at Grossmont High School from 8 to 12 a.m. each Saturday during the school year. If a student is unable to attend classes on Saturday morning, arrangements can be made for transfer to Snyder Continuation School where classes are held daily except Saturday.

TOUCH OF HAWAII PLANNED FOR LEMON GROVE

When members of Al Bahr Shrine trekked to Hawaii for a meeting last month most of the members bought native dress and exposed thousands of feet of film.

Henry Goldy, one of the members, set into motion plans for re-creating the fun-fest stateside in October. So on October 10, at Goldy's Michael's restaurant, a Hawaiian luau will be held starting 6:30. Shriners who made the Hawaiian trip, and their invited guests, will wear the clothes they purchased and show the pictures they took. Goldy will portray the role of a beachcomber.

VISTA LA MESA SUCCESS DRIVE ORGANIZED

Robert Sutton, Lemon Grove Area Chairman for this year's United Success Drive, says that organization and appointments for the Vista La Mesa residential division have been completed. Mrs. Robert Brown has been appointed Residential Division Chairman for the Vista La Mesa Area and has named the following Zone Chairmen: Mrs. W. L. Birch, Mrs. H. K. Thursland, Mrs. Hazel Planchon, Mrs. Albert Sarantos, Mrs. Elois Wilhelmi, Mrs. Nina M. Zeigler and Mrs. F. A. Myers.

These Zone Chairmen will be recruiting campaigners during the next three weeks. Volunteers are asked to contact Mrs. Brown at HOpkins 6-6641. The Residential Division Drive is scheduled to start on October 18.

The Lion's Roar

HAP VAN NICE

Lions are again on the loose. Thursday at Michael's the many loose ideas for costumes and disguises planned for the Halloween Ball to be held at 27th and "B" Streets on the night of Oct. 30 reached Jekyll-Hyde disfigurational heights.

Lion Cal Nicholl, chairman of the "Big Night" committee, promised to fit many with odd spectacles making them odd spectacles. Lion Bob Runyon commented that most important in this disguising device was the secondary effect which would disguise everyone else to the wearers of Nicholl fit bi-focals.

Lion Don Johnson's missus was reported readying the skeleton in their closet as her party pardner. It was reported that she explained her choice of escorts by saying, "He dances better."

One attempt at disguise leaked out and many thought it is all wet. This was Lion Virgil Stevens' announcement that he was planning to follow a business theme. The owner of Culligan's local agency will attend the October affair as a gallon of soft water.

Meanwhile individual and collective plans go forward to make the Halloween event a gala affair.

INCREASE OF 230 IN ENROLLMENT FOR LEMON GROVE SCHOOLS

At the close of the first week of school, enrollment in the Lemon Grove School District jumped from 2560 last June to 2790, an increase of 230 in three months. Registartions are still in progress in all schools, as an increase of 75 pupils was shown from Monday, September 13, to Friday, September 17, during the first five days. Peak fall enrollment usually occurs during Octo-

ber.

A staff of 91 teachers and seven administrators were on hand during the first week to begin the instruction of the largest number of students ever to enroll here. At the Vista La Mesa School, an extraordinary big kindergarten enrollment in the kindergarten necessitated the transfer of 20 pupils to Golden Avenue School. All parents were notified, and the transfer became effective on Monday of this week.

Double sessions in the district are being held to a minimum through the third grades with the exception of the smallest school, San Miguel, where they exist through the fifth grades. As soon as present construction is completed in January, it is expected that all double sessions in the district will disappear, with perhaps the exception of the Golden Avenue first grade.

Bonds voted by the Lemon Grove residents last February provided classrooms, along with existing buildings, to accommodate 2800 students, a total expected to be surpassed in the near future. However, federal funds, monies from unsold bonds, and savings on present construction are providing an additional $150,000 with which more needed rooms will be built.

Those classroms now under construction are filling the four elementary sites here, and the rooms can be built is San Miguel. Because of this, the Board of Trustees has asked the help of the Citizens Advisory Committee in studying the selection of a new site within the district boundaries for a school to help accommodate the evergrowing number of students.

!THE SHOW'S THE THING!

"Hans Christian Anderson," which opened yesterday at the GROVE theater, is one of the best, if not the best, picture that has the incomparable Danny Kaye as the star. "Hans" is in technicolor and co-stars Farley Granger and Jeanmarie. This picture is recommended to all as a must, 'cause it's highly entertaining to every member of the family, whether young or old! The companion feature is "The Nebraskan," which stars Phil Carey and Roberta Haynes and is in technicolor. A brief synopsis would go like this: Army scout Wade Harper (Carey) rides in pursuit, not of happiness, but of his Indian aide Wingfoot (Maurice Jara) and a renegade soldier Reno (Lee Van Cleef), capturing them near a way station run by former cavalryman McBride (Wallace Ford), while Reno is attempting to rob dancehall girl Paris (Haynes) and gambler Ace Eliot (Dick Webb), and a few stagecoach passengers. The Sioux, who have an all-points bulletin for Wingfoot's neck, roar into the way station, kill Reno and roar back to the hills with Paris. Harper manages to complete his role of her by rescuing our lacy-heroine, set Wingfoot in the good with his fellow scalpers and then head for a plantation of his own with Paris as his forever steady. The Saturday matinee is "The Lion and Horse."

Sunday through Tuesday will see "Dangerous Mission" playing at the GROVE with the companion feature being "Security Risk." "Security," I may be so bold as to say, is a real A-1 **stinker.** It must have cost Allied Artists about $25 to film!—**B. T.**

DINK TEMPLETON, Palo Alto, world famous track coach—"Russia will beat the United States in the 1960 Olympic Games, and probably in 1956, if we don't pay more attention to training and development of our athletes."

What's Incorporation?

Continued from page 1

and repair. The state legislature has set a formula for the disbursement of gasoline taxes as well as the expenditure of them by the cities on the receiving end. The gas tax is returned to each city on the basis of $2.94 per person. Of this total, ⅝ must be spent on maintenance and repair, ⅜ on new construction.

18,500 Estimate

Personal property tax on motor vehicles is also collected by the state and returned to areas from which collected. The basis for this return is $4.61 per person. (The law also specifies the method of determining how many persons in an area for the purposes of distributing the above named funds. This method is to multiply the number of registered voters by three. The resulting figure is the official population. In Lemon Grove, with slightly more than 6000 registered voters, would have an official population of about 18,500.) This motor vehicle in lieu refund is not specifically allocated as is gasoline tax.

One other source of revenue for newly incorporated cities is the so-called Christmas Tree Fund established by the state legislature in 1945 to encourage local public works construction. (Set up to last for ten years, the fund expires June 30, 1955. About $5 million remains in the fund.) The The maximum grant from this source is $10.00 per person. While the money is a gift to the applying cities, it must be spent for public works—city offices, police stations, etc.—and sometimes is apportioned on a matching basis.

Questions Answered

So much for some basic facts. We shall now try to answer some questions submitted to us on the subject. If we do not answer yours, send it in and, as permits, we shall.

How many policemen will we have? To answer as many as is needed is said to be no answer by some. But this is precisely what will happen. The manager, working with the police chief and the county, will establish a minimum working force for the first fiscal year. (It should be noted that due to the time involved in recruiting men, obtaining equipment, etc., it would probably be six months after incorporation before the police department would be functioning.) From this first basic group, the citizens and the incidence of crime will determine how many more are needed. If the citizens request additional men, frequently call upon the force for services, or if the case load of arrests turns out to be greater than originally anticipated, the staff will be increased accordingly. Police service would be tailored to the needs of Lemon Grove, a factor that should be considered when measuring the advantages of incorporation versus annexation when the latter offers immediate police protection and a large reserve of men and equipment if needed as being arguments against incorporation.

'Heart' Clubs To Aid Heavyweights

"Shorten the belt line and increase your life line!"

This might be considered the slogan of the new Help-Your-Own "Heart Clubs" now being formed in neighborhoods throughout San Diego County to assist overweight men and women trim excess fat by "goup dieting."

The free clubs, sponsored by the San Diego County Heart Association, have met with phenomenal success in other states and San Diego is the first county in California to have such organizations formed in various neighborhoods.

Judge Ronald Abernathy, president of the San Diego County Heart Association, said any adult 15 or more pounds overweight with the sincere desire to lose weight, is invited to join.

"There are no dues or fees," he said. "Special menus are set up, without charge, for the individual needs of club members by a leading San Diego nutritionist, and club meetings are furnished with audio-visual material and other dietary assistance. Each club is limited to 12 members and is organized by a group of men or women right in their own neighborhood, with weekly meetings scheduled at a time and location decided upon by the members themselves. In many cities where "Heart Clubs" are already organized, club members arrange part of each meeting period as a social gathering for playing cards, sewing, etc."

Life expectancy is impaired by an adult 15 or more pounds overweight, Abernathy pointed out. Also affected adversely is his ability to perform daily tasks, his appearance, and his resistance to heart disease, high blood pressure and many other ailments.

A New Store, a New Policy!

In the interest of giving a better service to our many customers in the southern part of the County, we have taken over Encanto Feed Store at 6390 Imperial Avenue

The same low prices will be effective at both stores.

PLUS SPECIAL CASH AND QUANITY DISCOUNTS

We have long felt that customers who save us bookkeeping and hauling costs should have the savings passed on to them—hence our new policy

Effective October 1st, 1954, we offer the following discounts on each 100 lb. bag of feed:

CASH DISCOUNT (delivery or self-pickup)	15c per CWT
"YOU HAUL" DISCOUNT (under one ton)	10c per CWT
1 to 2 TON (quanity discount-we deliver)	10c per CWT
OVER 2 TON (quanity discount-we deliver)	15c per CWT

Example No. 1—A sack of feed picked up at either store on a cash basis would entitle you to a 25c discount from the board price (cash discount 15c plus "you haul" discount 10c).

Example No. 2—A C.O.D. delivery of over two ton would bring a 30c per CWT discount (cash 15c per CWT and quantity 15c per CWT)

"LOOK FOR THIS BANNER"

Visit your electric range dealer now. Pick up an entry form. Complete this sentence on it in 25 words or less, "I want to be modern and cook electrically because . . ."

Drop the self-addressed, postage-paid entry card in your mailbox.

It's that easy . . . and if your entry is one of the four best . . . you'll win a brand new electric range of your choice from the ten brands listed here.

Entries must be postmarked by midnight, October 31, 1954. Judges' decision final. Only one entry per person.

Enter now — win a new electric range free.
